Under the leadership of President Georgie Amos Humphery, Class of 1972, and Vice President Arnold Jackson, Class of 1968 the Chattahoochee Valley Alumni Chapter (CVAC) of ASUNAA partnered with **Hope Harbour of Columbus** on November 28, 2020. Hope Harbour provides services, shelter, and assistance to victims of Domestic Violence via their 24 hour Crisis Hotline. Residents of Muscogee, Marion, Taylor, Talbot, and Harris Counties of Georgia are eligible to receive services.

Chapter Members filled over 15 shopping bags with an array of items for the residents. These items included bedding, household cleaning supplies, personal hygiene items, and gift cards.

A representative from Hope Harbour met the CVAC members in a parking lot to ensure compliance with Social Distancing guidelines.

CVAC is honored to keep Albany State University's rich heritage of "A Past To Cherish, A Future To Fulfill" alive.

MUSCOGEE COUNTY SCHOOL DISTRICT HYGIENE REPOSITORY CENTER

Florene Dawkins, Coordinator

Inside Repository Center. Supplies are available for all students that want/need them.

The Columbus Alumni Chapter's Community Project for the month was The Muscogee County School District Hygiene Repository Center. It opened officially October 18, 2019. The district for the last five years, has been supplying hygiene supplies to all of the students in need in all 55 schools and programs. We also setup 6 Ready To Wear Closets at our high schools. These closets supply clothes and hygiene items to any students in need. The needs were growing, by leaps and bounds. The district wanted to supply the need on a larger bases and house supplies for all students. The MSCD Hygiene Repository was established in the Stevie Butler Steam Center. (The Old Muscogee Elementary School). The Albany State Alumni, Columbus, (GA) Chapter was one of the first civic groups to donate to the hygiene repository. They have been donating for over 6 years. They donated before the dream of the Repository Center was reality. They have stayed the course for six years straight. Their donations and belief in our schools and the students we serve, have been a tremendous asset. **Motto: " Every child in School ..Everyday...With Dignity!!!**

Thanksgiving Family Donation (We had two families we blessed in Sylvester.)

The first family was Marcus and Travia Smith. Mrs. Smith served in the Army. The Smiths have two daughters. Their younger daughter has Sickle Cell Anemia. Their youngest daughter has been in and out of the hospital throughout the year several times a month.

The second family is Shalonda Polk. Ms. Polk is a single mother of twins. Her son, Jason, has Sickle Cell Anemia and battled Corvid-19 this year. Jason has been airlifted to hospitals in Atlanta several times throughout the year. Ms. Polk's mother has been in the hospital since March with Corvid-19. Ms. Polk was involved in two car accidents last month traveling to the hospital for her son. We usually give a box of food to the families we bless each year. This year the chapter decided to give each family \$100.00 because the families could use the money to purchase their meal and other items.
